

# Daniel Kodoh | Software Engineer

---

[komlankodoh@gmail.com](mailto:komlankodoh@gmail.com) | +1 531 225 6403 | [portfolio](#) | [github](#) | [linkedin](#)

## Objective

Software engineer experienced in both front end and back end. Worked with a wide range of technologies including c#, Java, Rust, C, and Modern frameworks such as Angular, Vue, and Next.js. Eager to learn more and improve as a software engineer.

## Education

### **ASSOCIATE DEGREE COMPUTER TECHNOLOGY TRANSFER - COMPUTER SCIENCE (CTSAS) | 12/5/2020 - 8/15/2022**

- School: Metropolitan Community College
- GPA: 3.955
- Honor: Dean's list
- Relevant coursework: Java Programming III | Organization Application & Tech | Statistics | Web Page Creation

### **BACHELOR'S DEGREE COMPUTER SCIENCE | 8/25/2022 - 8/12/2024**

- School: University of Nebraska Omaha
- GPA: 3.955
- Relevant coursework: Java Programming III | C Programming | Discrete Math | Data Structure and Algorithm

## Experience

### **SOFTWARE ENGINEER – ONE STAFF MEDICAL | 8/22/2022 - PRESENT**

- Designed and implemented fast, modern, and efficient web scrapper
- Designed and implemented Web Api in microservice environments with docker and swagger documentation
- Supported migration from deprecated technologies to modern SWE practices such as git and .NET 6

### **CONTINUING EDUCATION IT INSTRUCTORS (PART TIME) – MCC | 6/27/2022 - PRESENT**

- Designed and updated curriculum to meet modern standards
- Live presented and discussed web development topics
- Directed groups of students to complete modern web application projects

## Skills & Abilities

- Agile | Scrum | Communication
- JavaScript (Typescript, React, Angular, Vue) | HTML | CSS
- Java (Spring boot) | Go | Rust | Python | Node | C#
- SQL (PostgreSQL, SQLite, MySQL) & NoSQL
- Docker | Linux | Nginx | AWS | CI / CD | Neovim | Vim

## Projects

### **CELLULAR AUTOMATA FULL STACK APPLICATION**

- Developed CI/CD pipeline for seamless deployment on AWS Elastic Container Service
- Developed a four layered application leveraging the attributes of OOP and the speed of web assembly
- Designed responsive UI design

## Languages

- English
- French
